AMENDMENT AND RESPONSE

In response to the Official Action of July 17, 2002,
please amend the above identified application as follows:

CLEAN VERSION FOR ENTRY

Please substitute the following amended claim 1, 2, 4,
8 and 9 for original claims 1, 2, 4, 8 and 9:

A

1. (amended) A device for electrically lighting a
ceremonial display of individually visible separate lights
of a ceremonial display member in a specifically desired
sequence and number at specified times; together with said
ceremonial display member, said device comprising an
electronic timer coupled with pre-assigned sequence
circuitry means adapted to remember and effect the lighting
of individually visible lights, as desired, in a proper
form, number and sequence, in a display of individual
